Meet Our New Chaplains

Cory and Sarah Davis are both employed in the oil and gas industry and have a heart for ministry in the oil patch. Chaplains Chat . . .

But by the grace of God, I am what I am. (1 Cor. 15:10a)

The apostle Paul recognized that if it were not by the grace of God he would have continued the wretched life of persecuting Christians and ultimately would have died and spent an eternity in Hell.

Recognizing that each of us is in the same boat, we need to realize that someone cared enough to share the gospel with us. We, as oil patch chaplains, are planting seed and striving to meet needs so that ultimately, souls will be saved.
